

Exploring Our GLOBE 21 – 22 July 2015

The 3rd Annual Student Research Expedition In Conjunction with the 19th GLOBE Annual Partner Meeting in Los Angeles, California, U.S.A.

Students are invited to explore, design and conduct research at the
Tops of our Mountains to the Depths of our Kelp Beds

Calling all young scientists! Come visit and conduct research on isolated land and seascapes of California's National State Parks and National Marine Reserves that are close to home yet worlds apart. Learn how to conduct GLOBE investigations that study the unique animals, plants, and Mediterranean Biome found in only seven regions on Earth and experience the beauty of the Southern California Coast.

Program Highlights:

- Opportunity for International Student Collaboration
- Conduct Research in the field alongside local scientists
- Explore the beauties of Southern California
- Visit and work with recognized Universities in California
- Engage in dorm style or camping experience
- Become a part of a larger community of scientists and students that use GLOBE protocols related to Atmosphere, Biosphere, Hydrosphere, Soils (Pedosphere) and other sciences.

Important Notes:

- The GLOBE Student Research Expedition journey is planned in conjunction with the GLOBE Annual meeting to be held July 19th – July 24th at the Hilton at Universal Studios, Los Angeles, California
- Registration deadline-**EXTENDED**: **June 10, 2015** – **Registration payment due 19 June**--*Registration Includes Educational Programming, Room & Board & Transportation*
- Groups of 2-5 students will be provided space on a first come first served basis.

Sample Itinerary

Date	Time	Activities
Tuesday, July 21	9:00 AM	Arrive at field station, logistics and site orientation
	10:00 AM	Developing a Research Question with Scientists
	11:00 AM	Methodology of the Research and Data Quality Control
	12:00 Noon	Lunch
	1:00 PM	Site selection, Data Collection and Preliminary Planning of Research Report
	6:00 PM	Dinner
	7:00 PM	Debrief of the day and planning for day two
	8:00 PM	Night Program or data collection
Wednesday, July 22	7:00 AM	Breakfast
	8:00 AM	Data Collection
	12:00 Noon	Lunch in the Field
	1:00 PM	Data Collection
	3:00 PM	Transport back to Conference Hotel
	5:00 PM	Arrive at Hotel
	8:30 PM	Preparation of Research Reports

***Itinerary is subject to change due to weather.
Specific itinerary details will be provided prior to your departure date.***

Student Registration fee is \$190 and includes the following:

Sunday 19 July – Opening Networking Event

Monday 20 July - Breaks, Lunch, Poster Session (Breakfast included in hotel room rate)

Tuesday 21 July - Student Research Expedition (described above) (Breakfast included in hotel room rate)

Wednesday 22 July- Student Research Expedition (described above). (Dinner ON YOUR OWN.)

Thursday 23 July - Breaks, Lunch, Closing Event (Breakfast included in hotel room rate)

Friday 24 July - Breaks, Lunch (Breakfast included in hotel room rate. Meeting adjourns early afternoon.)

Transportation to meeting events from the conference hotel.

All meeting materials

**Registration deadline for students is EXTENDED
to 10 June 2015 (registration payment due 19 June)**

**Reserve your spot now! Space will fill up fast. This is a
once-in-a-lifetime opportunity for students!**

**If this experience doesn't make a student want to become a scientist,
nothing will!**
